

# GLOBAL MARKETPLACE SERVICES

— Expand Your Business Beyond Borders —

Ecomilix is your trusted partner in helping Indian manufacturers, brands, and sellers expand their reach across global online marketplaces. We specialize in seamless onboarding, account setup, catalog management, and complete marketplace growth strategies — enabling you to take your products to international customers without complexity.

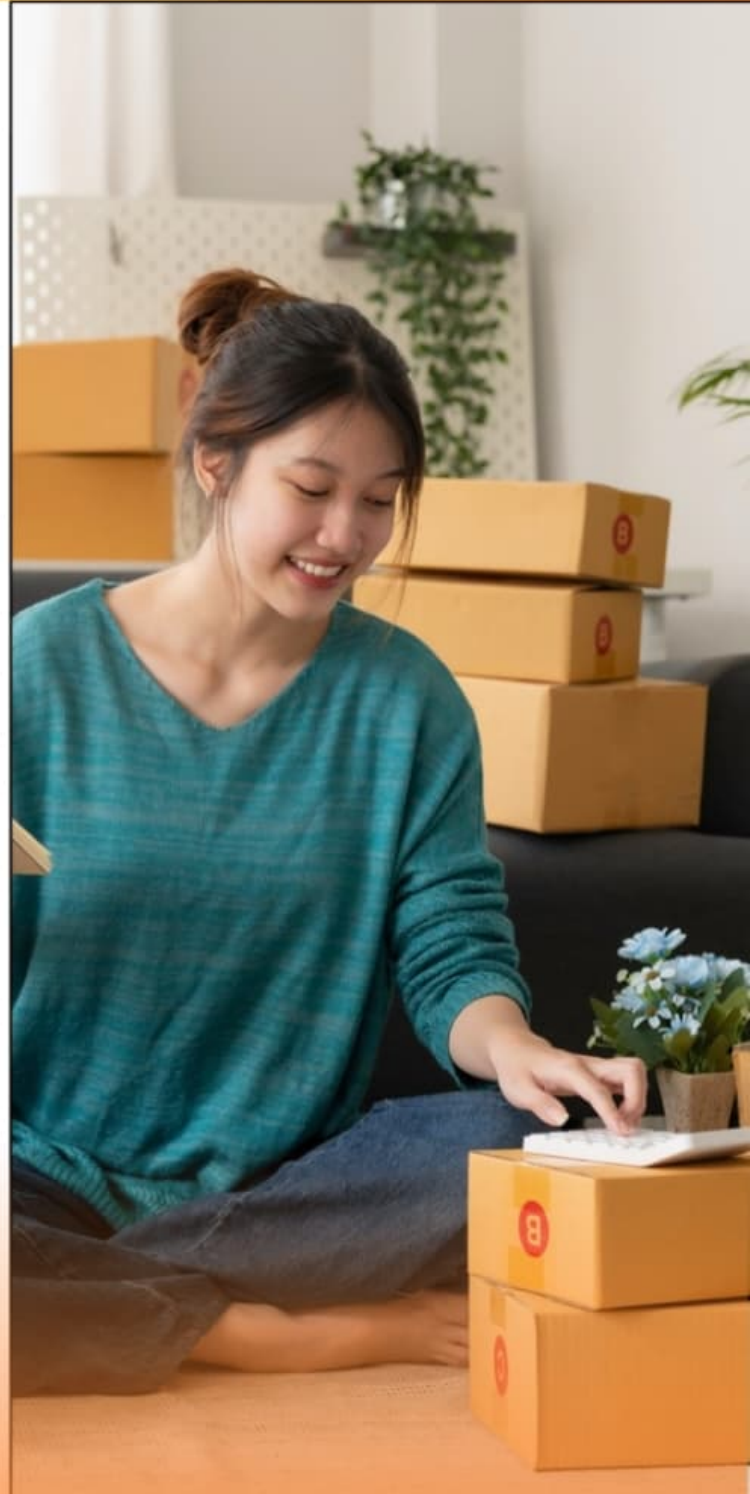

## ABOUT US:

At Ecomilix, we empower Indian businesses to go global by simplifying cross-border e-commerce. With deep expertise in international marketplaces, compliance, logistics, and brand building, we ensure your products are positioned to succeed worldwide.

Our team works closely with sellers, manufacturers, and exporters to unlock new revenue streams, enhance brand visibility, and scale operations in major global markets.
